

SAMPLE INVESTIGATE IPPF EMAIL/LETTER

Dear (Insert name),

I am writing to invite you to join me in signing a letter calling upon the United Nations and UN Member States to investigate and defund International Planned Parenthood Federation (IPPF) for the harm they are doing children.

To learn about this serious assault on the health and innocence of children and to sign the letter, please go to InvestigateIPPF.org.

I am sure you will be as shocked as I was when you learn about the many ways Planned Parenthood is harming children, in addition to aborting them and selling their body parts.

Please help me warn more individuals and organizations regarding this serious threat.

Together we can protect more children from becoming victims of Planned Parenthood.

Sincerely,
